Welcome:

MA welcomes all and states meeting roles this week:

Notetaker: CS, Meeting Chair: MA, Timekeeper: AD, Information Manager: MS.

Meeting Purpose:

Continue working on the separate sections we have agreed to do. Reconvene to ensure work is occurring smoothly.

Previous Actions:

Started our new sections of work for the full product.

Regular Items:

Keeping up on the good work.

New Items:

CS - Look into changing all of my Kotlin backend made for the prototype into Java, so that it will integrate better into a shared code-base.

MA - Continue changing the database from SQL to Firestore and research denormalizing the database.

MS - Continue creating the Profile option, expanding with trainer/trainee options.

AD - Continue implementing the chatbot functionality by integrating the chatgpt or gemini api and improve the backend logic for other pages.

Next Meetings:

19th February 2026, Online Meeting.
